This Fragile Breath

Intro: D A/C# Bm (F#m G)

Bm7 Em7
I searched the world for a song that I could sing
D (F# G)
Praise to my King A gift that I could bring
Bm7 Em7
But no music I found could compare to you
D (F# G)
Not one could do Justice to your glory
Em G
What are my songs compared to yours

D A/C#
You speak with thunder and lightning
Bm
Your voice shakes the mountains
(F#m G)
The foundations of the earth
D A/C#
All I can offer is this fragile breath
Bm
With each one I'll praise You
(F#m G) D(intro)
With each one I'll praise You more

This Fragile Breath (pg. 2)

A rhyme that would bring Glory to my King

But no writing I found was worthy of

This God high above All other gods
Em G G
What are my words compared to yours

D A/C#
You speak with thunder and lightning

Your voice shakes the mountains
(F#m G)
The foundations of the earth
