

## *Where Were You*

Intro: A

A A  
I thought up all the questions that my human mind could bring

A  
And laid them out before the Lord

G A  
And demanded a reason for these things

A A  
I asked about inequality and about the success of evil men

A  
But what was I to say to Him

C D D  
When He answered with this question

A G D  
Where were you when I split the sky and sea

A G D  
Where were you when I taught the lion to roar

A G D  
Where were you when I made electricity

Fall from the sky in the middle of a thunderstorm

A  
Where were you

A A  
I had no response, I had no reply

A G A  
As the One who spoke and is the Truth opened up my eyes

*Where Were You (pg. 2)*

A A  
I laid my mortal doubts at the feet of the Infinite

A  
But what was left for me to say  
C D D  
When He answered with this question

A G D  
Where were you when I split the sky and sea

A G D  
Where were you when I taught the lion to roar

A G D  
Where were you when I made electricity

Fall from the sky in the middle of a thunderstorm

A G D  
Where were you when I put stars in the sky

A G D  
Where were you when I taught the eagle to fly

A G D  
Where were you when I made that little child look just like

F E  
her mom but she had her Daddy's eyes

A  
Where were you
