

The Love of God

Intro: Bbm Gb Db/F Ab

Bbm Gb
The love of God is greater far
Db/F Ab
Than tongue or pen can ever tell
Bbm Gb
It goes beyond the highest star
Db/F Ab
And reaches to the lowest hell

Bbm Ab Gb Gb
O the love of God how rich and how pure
Bbm
How measureless and strong
Ab Gb Gb
The love of God it shall evermore endure
BbmIntro
The saints' and angels' song

Bbm Gb
When years of time shall pass away
Db/F Ab
And earthly thrones and kingdoms fall
Bbm Gb
When men who here refuse to pray
Db/F Ab
On rocks and hills and mountains call

Gb Db/F
 God's love so sure shall still endure
 (Bbm Ab/C Db) Gb
 All measureless and strong
 Ebm7 Db/F
 Redeeming grace to Adam's race
 Gb
 The saints' and angels' song

CHORUS

Db Ab/C Bbm7 Gb repeat

Bbm Gb
 Could we with ink the ocean fill
 Db/F Ab
 And were the skies of parchment made
 Bbm Gb
 Were every stalk on earth a quill
 Db/F Ab
 And every man a scribe by trade
 Gb Db/F
 To write the love of God above
 (Bbm Ab/C Db) Gb
 Would drain the oceans dry
 Ebm7 Db/F
 Nor could the scroll contain the whole
 Gb Gb
 Though stretched from sky to sky

CHORUS
