

## ***Bethlehem Dawn***

Intro: (C Dsus)(B/D# Esus) (C Dsus) (Gsus G)

(C D) (G/B G)  
The sunrise was beautiful this morning  
(C D) (B/D# Em)  
But somehow it seemed that everything was darker  
(C D) (G/B Em)  
Than the sky we had seen just a few hours ago  
(C D) (Gsus G)  
As the angels sang a song of joy

(D/C C) (G/B G)  
Not even the Bethlehem dawn  
(Am G/B) (Dsus D)  
could compare to the light it revealed  
(D/C C) (G/B Em)  
Not even the Bethlehem sun  
(C G/B)(Bb F/A)  
That unveiled the Son of God sleeping in a cattle stall  
(C G/B) (Bb F/A)  
The almighty God humbled to save us all  
(Am Dsus) (C Dsus) (Gsus G)  
Not even a Bethlehem dawn

(C D) (G/B G)  
The cry of a baby shatters the silence  
(C D) (B/D# Em)  
Can you believe that same voice makes my heart beat?  
(C D) (G/B Em)  
And the tears in His eyes and in His mother's and Father's  
(C D) (Gsus G)

Are tears for all mankind
