

Reached Down

Intro: G7 C7 G7 C7

G7 C7
I fell so far I did not know anyone could save me
G7 C7
I could not find a light as far as I could see
G7 C7
My body lay broken at the bottom of my prison
G7 C7
My hope washed away as the waves crashed over me

(Bb C) Gm
You reached down and saved me
(EbM7 Bb/D) C2
You parted the sea so I could breathe
(Bb C) Gm
You reached down and saved me
(EbM7 Bb/D) C2 G7 C7 G7 C7
You pulled me from all that was drowning me

G7 C7
I could not see the top of the well in which I'd fallen
G7 C7
I was choking on the rising tide of filth and shame
G7 C7
You pulled me from the mouth of hell so You could hold me
G7 C7
You knew You'd save me long before I called Your name
